Missouri S&T is celebrating its 150-year anniversary beginning in October 2020 and continuing through Fall 2021. As part of the celebration, we are inviting local area schools to participate in a poster contest representing S&T and the 150th anniversary.

The rules are simple:
- Create an original poster in your favorite medium
- All posters must contain the words “Missouri S&T” or “S&T” and “150th anniversary” (please do not use variations including “MST” or “MS&T”)
- All entries must be submitted by Dec. 1, 2020
- Winning posters will be judged on the best representation of S&T and the 150th anniversary
- The contest is open to all students in the following age categories:
  - Elementary (grades 3–5)
  - Middle School (grades 6–8)
